To access discounted booth pricing, your company must be a 2025 Corporate Member in good standing. If you aren't sure what your company status is, please [contact Jen- JVoshell@countyengineers.org](mailto:JVoshell@countyengineers.org)

Click here to schedule a call with Staci Gunderson, NACE Conference Director to discuss or need help signing-up.

Maximize Your Impact through

Sponsorship

NACE 2025 attendees are the primary decisionmakers for buying and recommending your products or services. Counties own and maintain 46% of the nation's roads and 40% of the nation's bridges, making them the single largest stakeholder in local road and bridge construction, rehabilitation, expansion and maintenance. Our members rely on NACE for information on and awareness of the latest innovations in engineering technology, best practices, management systems, and software. By exhibiting at NACE your company will gain access to county governments, as well as connect with those that would be the principals charged with purchasing your products and services.
